Residencies 2017 call for applications

International Call directed to creators wishing to make a residence at the Centre for Contemporary Art Nau Còclea during 2017 (except july and august). Applications are open to visual arts, performance arts, dance, sound art, music and writing projects. Theoretical researchers on arts are also wellcome. Projects are admitted in every stage, from conception to final production.

Residence characteristics and resources

The residences include hosting artists (maximum 4) in a house with two double bedrooms, kitchenette, bathroom and living room. The house is in a natural background of fields and forests in Camallera, Catalonia. Artists can also use the exhibition/rehearsal hall (80m2 with small central column. All concrete walls). Residents can also make use of use some of our resources: video projector sound equipment, etc. .

Còclea staff will help artists to make the necessary links with the local population, and to find local services and material providers if needed.

The minimum duration of the residences is 7 days and maximum 90 days.

Fees and Returns

The residence is offered free of charge to 1-4 occupants of the same project. Artists must contemplate some form of return or feedback: presentation of the work, workshop, art pieces etc. The return proposal will be specified in the application and will be discussed with the organization staff.

The residence does not include travelling or diets.

The residence does not include insurance. It is mandatory that the artist has a medical insurance valid for the period of residence.

We do not process visas, but we can provide a letter of invitation if needed.
